Sir,

I have the honor to report that Mr R.Venkataramaiya, B.A., has requested three months' leave from tomorrow, 19th instant, which I am obliged to permit him to take as it was manifest to me from his appearance when at College today that he is quite unable to discharge his duties as teacher of Mathematics in the F A classes

He informed me that it will be Privilege leave on half pay as he is entitled to this - he having had no previous leave.

I propose for the Matheratical work of the F.A classes &c ,that the services of Mr B K Srinivasa Iyengar, M.A., who is at present an Assistant to Mr.Michie Smith at the Kodaikanal Observatory, be secured for this college as he was a distinguished graduate in Branch I, Mathematics, I class, Branch IIA Physics I class, and M.A. in Physical Science, and that he be graded to begin with in Class C III Rs100-10-210, his present pay from the Government of India being Rs100/-

As the matter is urgent I am wiring to Mr.B.K.Srinivasa Iyengar on the subject, as he has some time ago informed me that he would prefer an appointment in the Mysore Service to the one he now has.
